

AT&T All Girls' Coding Camp

Application Form

Application due to the Discovery Center by **Sunday, October 8th 2017**
Camp registration costs are covered by the generous support of AT&T
 Please print or type responses legibly

As a participant in the AT&T All Girls' Coding Camp you will be joining a community of strong, passionate girls and mentors. You will learn the basics of coding and develop skills in the applications of computer science including virtual reality, robotics, digital gaming and website development. This is your chance to explore your own personal passions while learning about future opportunities in STEM fields and the relevance of computer science in our world today.

Who is Eligible to Apply?

1. 9th - 12th grade girls in Idaho
2. **NO** previous coding experience required! Only a curious mind and desire to learn
3. Girls who can commit to participating in all 6 Saturday sessions
4. Girls who are curious about computer science and/or STEM fields and professions
5. Girls who enjoy building community and learning through challenges

Camp Details

- Six camp sessions: 9am to 2pm on Oct 21st, Oct 28th, Nov 11th, Nov 18th, Dec 2nd, Dec 9th
- Showcase event during the last session on December 9th
- Valued at \$500, the Center is able to offer Coding Camp at **NO COST** to students due to the generous support of AT&T

Application Check List:

Use this checklist to ensure that your application includes all of the following materials. Applications will not be considered complete until all materials are received.

- Application Essay
- Application Question Short Answers
- Teacher Recommendation Contact Information
- Parent or Guardian Signature

{Extended} Application Deadline: October 8th 2017

A. Essay (300 words or less)

Please write a short essay describing what you expect from your AT&T All Girls' Coding Camp experience. What motivates you to participate in the Coding Camp? What do you hope to learn during camp? How will coding camp contribute to your personal, academic, or career goals?

B. Short Answers (150 words or less)

1. Describe some of your academic and personal interests.
2. Computer science involves solving complex, challenging problems and requires dedication and grit. Please describe your experience with and interest in working through challenges.
3. Why should the Discovery Center choose you to participate in the AT&T All Girls' Coding Camp? What qualities would you bring to this unique, educational experience?

C. Teacher Recommendation

Please provide contact information for a teacher, youth group leader, scout troop leader, boss, athletics coach, or other trusted adult in your community (non-family members) who can provide a positive recommendation for your camp application.

First Name	Last Name
Phone Number	Email Address
Please provide information about your reference's position and how they know you: e.g. 8 th grade history teacher at South Junior High School, scout troop leader from 2014-2016, etc.	

D. Parent or Guardian Signature

I acknowledge that my student has applied to participate in the AT&T All Girls' Coding Camp. I understand if my student is selected and chooses to participate, this will require a commitment to participating in all six of the camp sessions.
