VIRTUAL SCHOOL PROGRAMS

Program Information

Discovery Center of Idaho
OVERVIEW & PRICING

DISCOVERY IS POSSIBLE EVERYWHERE!

Our Virtual School Programs offer engaging, virtual learning experiences via pre-recorded and live-Zoom classes that expose students and families to STEAM learning in the classroom, at home, or on the road.

Outside of the Treasure Valley? No problem! The Discovery Center is happy to ship activity materials to classrooms across Idaho.

ALL PACKAGES INCLUDE:
- Digital Educator Resource Guide with links to resources, standards connections, videos, worksheets & activities
- Up to 2 content-related synchronous OR asynchronous videos (detailed below)
- (Optional) Hands on Arts &/or Science project materials along with detailed, written & recorded instructions

Did you know that fossils can tell stories? And Tinker — the most complete fossilized skeleton of a juvenile (or teenage) T. rex ever found — has plenty to share! What was life like for a young T. rex? How does the dinosaur era still impact us today? Imagine, experiment, and discover fun facts with the Discovery Center of Idaho and our resident T. rex, Tinker!

Q-TIP DINOSAUR SCIENCE PROJECT MATERIALS KIT (OPTIONAL):
$3 PER STUDENT
- Black construction paper
- Q-tips
- Glue
- White Crayons

NOT INCLUDED: SCISSORS

PACKAGE INCLUDES:
- 1 pre-recorded video: Tinkering with Tinker the T-rex! approx. 19 mins
- Digital Educator Resource Guide
- Full Video transcripts
- Detailed "Q-tip Dinosaur" art project instructions
