FOR IMMEDIATE RELEASE:
SLIME!

SLIME!: Stretch Your Imagination
OPENING SEPTEMBER 26TH, 2022 AT THE DISCOVERY CENTER OF IDAHO

Boise, ID - *SLIME!* is an exciting, new 3,000 square foot exhibition designed and produced completely by the Discovery Center of Idaho's highly skilled fabrication team in our advanced Micron Innovation Lab. Visitors will have the opportunity to experiment with slime and learn the science behind this favorite non-Newtonian fluid.

"Everybody loves slime! So, we decided to make an entire exhibition dedicated to this gooey, messy, science-based fun. The Discovery Center's *SLIME!* exhibition is nothing like you have experienced before. With over a dozen interactive exhibits, and tons of the slime to touch, *SLIME!* takes slime to another level. This is an exhibit that you will want to visit over and over. So, get ready to stretch your imagination with *SLIME!*" *Eric Miller, Executive Director*

SLIME! opens at the Discovery Center of Idaho on September 26th, 2022 and will run through Spring of 2023.

Exhibition Sponsor

SLIME! is generously sponsored by the Junior League of Boise.

About the Center

The Discovery Center is a private non-profit 501(C)3 organization. Our mission is to inspire lifelong interest and learning in science, technology, engineering and math (STEM). We believe learning is fun and expands minds and lives. Because of the opportunities and exhibitions we provide, our community is more scientifically literate, curious and empowered to explore.
