The Fans Strike Back Exhibition

The Fans Strike Back: The Largest Star Wars Fan-Made Exhibition
OPENING MARCH 6TH, 2023 AT THE DISCOVERY CENTER OF IDAHO

Boise, ID - Calling all Jedis! An exhibition unlike any other in the galaxy is coming to a science center near you, opening March 6th, 2023 at the Discovery Center of Idaho. Chosen by the public as the best *Star Wars* fan-made exhibition in 2017, [The Fans Strike Back Exhibition](#) is the largest privately owned collection of *Star Wars* fan items, and this Spring, we're bringing it to Boise, Idaho.

The Discovery Center of Idaho has partnered with Micron to host this world-class traveling exhibition featuring items collected by fans and displayed for fans. Featured in cities across Europe, from Madrid to Paris, and in America, from New York to Las Vegas, this world-renowned exhibition gives fans the chance to explore the Empire in a whole new way.

The Fans Strike Back Exhibition is a unique experience for the whole family with exceptional staging of the most popular *Star Wars* sets, a stunning depiction of a spaceship battle, a special selection of mythical weapons, helmets, film masks signed by actors, and even iconic creatures from the legendary saga. Visitors will immerse themselves in a galaxy far, far away through photos, posters, famous costumes, life-size figurines, models, light sabers, blasters and more—all official objects bought by *Star Wars* fans.

“Science fiction helps us see and experience the universe in new and exciting ways. Creators of fantastical Sci-Fi worlds begin with the basics of STEM by observing the world through a scientific lens. Inspired by our evolving knowledge of elements, properties of matter, quantum fields and black holes, creators can imagine new scientific innovations and their future impact on Earth... or galaxies far, far away. The Discovery Center of Idaho hopes that *The Fans Strike Back Exhibition* will inspire students and visitors to imagine their world in new and extraordinary ways; to innovate positive change using the creativity inherent in Science, Technology, Engineering and Math.” *Emily Mahon, Education Director*

The Fans Strike Back Exhibition is in no way linked to Disney Enterprises, INC., Lucasfilm Ltd. LLC, Lucas Licensing Ltd.; Lucas Entertainment Company Ltd. LLC or The Lego Group TM or Hasbro or any of their trademarks and/or businesses. All images used are reproductions of private works belonging to the exhibition.

Exhibition Sponsor

The Fans Strike Back Exhibition is generously sponsored by Micron.

About the Center

The Discovery Center of Idaho is a private non-profit 501(C)3 organization. Our mission is to inspire lifelong interest and learning in science, technology, engineering and math (STEM). We believe learning is fun and expands minds and lives. Because of the opportunities and exhibitions we provide, our community is more scientifically literate, curious and empowered to explore.

Admission Prices & Hours

Admission is FREE for [members](#). For non-members, admission is \$27.50 for adults ages 18+, \$25.50 for seniors ages 65+, \$19.50 for youth ages 2-17, FREE for children under age 2. \$1 discounts for active military and veterans. We also offer the *Museums for All* subsidized program available for those with a valid EBT card. We're open 10am to 4:30pm Monday-Saturday and 12pm to 4:30pm on Sundays.

Our pricing supports our ability to bring world-class traveling exhibitions to the Treasure Valley. Thank you for your support!

Other Updates

Thank you for supporting lifelong learning in STEM! The Discovery Center of Idaho is thrilled to provide this exhibition to the community. There are some items you should know before your visit:

- Timed entry ticket purchases with limited capacity
- Contact-free payment options at the door (Debit or Credit Card only please)
- Floor staff busy cleaning all surfaces throughout the day
- Automatic hand sanitation stations and hand washing throughout the Center
